Christopher Sean Musuneggi is a registered representative of Grove Point Investments, LLC and from time to time, will offer clients advice or products from those activities. Clients should be aware that these services pay a commission or other compensation and involve a conflict of interest, as commissionable products conflict with the fiduciary duties of a registered investment adviser. The Musuneggi Financial Group always acts in the best interest of the client, including with respect to the sale of commissionable products to advisory clients. Clients are in no way required to implement the plan through any representative of The Musuneggi Financial Group in such individual's capacity as a registered representative.

Christopher Sean Musuneggi is a licensed insurance agent with MFG Insurance Services, LLC. This activity creates a conflict of interest since there is an incentive to recommend insurance products based on commissions or other benefits received from the insurance company, rather than on the client's needs. persons of The Musuneggi Financial Group are not made in their capacity as a fiduciary, and products are limited to only those offered by certain insurance providers. The Musuneggi Financial Group addresses this conflict of interest by requiring its supervised persons to act in the best interest of the client at all times, including when acting as an insurance agent. The Musuneggi Financial Group periodically reviews recommendations by its supervised persons to assess whether they are based on an objective evaluation of each client's risk profile and investment objectives rather than on the receipt of any commissions or other benefits. The Musuneggi Financial Group will disclose in advance how it or its supervised persons are compensated and will disclose conflicts of interest involving any advice or service provided. At no time will there be tying between business practices and/or services (a condition where a client or prospective client would be required to accept one product or service conditioned upon the selection of a second, distinctive tied product or service). No client is ever under any obligation to purchase any insurance product. Insurance products recommended by The Musuneggi Financial Group's supervised persons may also be available from other providers on more favorable terms, and clients can purchase insurance products recommended through other unaffiliated insurance agencies.
